BRISBANE DISTILLERY COMPANY

THE TRUE SPIRIT OF QUEENSLAND

Brisbane Distillery is the only Artisan Gin Distillery in our city. We opened in 2019 and operate a bar and Gin School®. The Distillery door in West End also offers tastings and sales of our award-winning Gin, Rhum and Vodka.

Brisbane Distillery's rebuilt 1974 Atlantean Double Decker Bus is a fully self-contained cocktail bar and tastings event space. With comfortable booths, stools and standing room for 35 – 40 inside, we can also cater cocktails for up to 500 guests with external seating and tables.

The True Spirit was built to operate under the new Artisan Producer licence which launched May 2021. The new liquor licence enables Distilleries to conduct tastings and sales at markets, events and other promotional events.
